Course Evaluation: With Eyes Wide Open

This Course Evaluation is required for users to be eligible for a Certificate of Completion. Please note your answers to these questions as you work your way through the course. Once you have completed the course, you will be able to enter your answers to these questions in an online evaluation form.

Adoption Learning Partners will review your answers for completeness and use this evaluation and records of course usage to determine certificate eligibility.

Evaluation Questions

1. How has the Image of Your Child changed since you first began Chapter 1?

2. List two gains and two losses adoptive parents and adopted children experience.

3. Think about what you have learned about your child's present experience of sounds. Name two ideas to help your child adjust to the sounds of his/her new world.

4. Think about what you learned about your child's present experiences with food. Name two ideas to help your child transition with food.

5. Think about what you learned about your child's present experiences with sleep. Name two ideas to help adjust to sleeping comfortably in his/her new world.

6. List two developmental tasks you think might be difficult for your child to perform in your home or daycare setting or school, etc.

7. What are the two biggest adjustments you expect your child will have coming to your specific home/family/community.

8. List two elements of the orphanage/foster care environment that will have affected the development of your child.

9. List four things you plan to do to increase the bonding between you and your child.

10. What do you expect the separation from caretaker will be like as you receive your child in country (or by escort)?

11. List two things you expect to find challenging on your trip to your child's country.

12. List two things that you will do to help your child adjust and develop a sense of belonging.

13. List two things you will do to help your child cope with the prejudice that he/she will experience.
14. List two issues that may arise involving siblings in adoption.
15. List two behaviors that some adopted children might exhibit as a result of their past experiences.
16. List three things you will do to help continue your child's heritage.
